

WEBSITE CARE PLANS

HOSTING & MAINTENANCE PLANS

Prepared by **Wilky Productions** — keeping your site secure, updated, and running smoothly after launch. Below are the three care plans available and what's included with every plan. All plans are billed monthly, and every plan can be adjusted as your needs change.

PLANS

Pick the plan that fits how hands-on you want your site care to be.

PER MONTH

\$29/mo
or **\$300/yr (14% off)**

Essential Care

- Hosting, domain & SSL management
- 24/7 uptime monitoring
- Monthly security & software updates
- Up to 30 min of content edits / month
- Email support (48-hr response)

Best for: sites that just need to stay online, secure, and occasionally updated.

PER MONTH

\$59/mo
or **\$600/yr (15% off)**

Business Care

- Everything in Essential Care
- Up to 2 hours of content edits / month
- Monthly backups
- Performance monitoring
- Priority email support (24-hr response)

Best for: businesses that update their site regularly and want a faster response time.

PER MONTH

\$99/mo
or **\$1,000/yr (16% off)**

Priority Care

- Everything in Business Care
- Up to 4 hours of content edits / month
- Weekly backups
- Same-day priority support
- Quarterly check-in call to review the site

Best for: businesses that want their site actively maintained and cared for, hands-off.

Choose annual billing on any plan for a discounted flat rate.

INCLUDED WITH EVERY PLAN

No matter which plan you choose, every site we host includes:

SSL certificate & ongoing security monitoring

Software / CMS updates

Uptime monitoring & alerts

Direct communication — no account managers, no outsourcing
